Heber City, Utah 84032

Dear Dad - Sorry I missed a sheet up. I'll write a few things about him on this sheet.

Schools attended - Charleston grade school  
worked on Moulton ranch driving butter cow  
Daily West Mine in Park City & Lideny stable  
from 1902 - 1909 - moved to Heber and he  
worked as power plant operator for city.  
The plant closed in 1920 - (we lived at the  
plant for a few years) after the plant  
closed dad went back to the mines for  
a while. Then he got a job as Game  
warden for Wasatch County for 5 years.  
In 1930 the plant reopened and dad  
went back there as an operator & worked  
there for 20 years until he died.

Hobbies - Carpenter - gardner - raised  
Chickens & a pig & cow. Canaries

Positions in Church - none to my  
knowledge - He was backward. He  
did go to Church all the time and was  
a home teacher. I don't know if he  
was made a high priest or not.  
No military service

Faith Promoting experiences

Dad had several serious operations  
one time after one of these operations  
on his first night back at the plant  
mother was so worried about him  
for fear he would lay down and  
get uncovered & get sick again. He was  
able to sleep on a cot on night shift. Just  
so he was there in case anything went

wrong - She prayed that she wouldn't  
get uncovered. The next morning  
he came home and told her the  
strangest thing had happened in the  
night. He became cold and as  
he woke up he felt someone  
pulling the covers up around  
his neck, but he couldn't see  
anyone. Mother never told him  
what had happened, but she knew  
her prayers had been answered.

Dad always said he married  
the prettiest girl in Wasatch County  
and the best Cook - He loved her  
dearly and I never heard him  
ever speak an unkind word  
to her. He was good to us kids  
too - disciplined us but with kindness.  
He helped the widows around  
us & was kind to everyone.

He loved Canaries & always had  
one -

He died Jan 8 - 1952 of Cancer.
